

# ANNUAL REPORT 2019-20

## Urivi Vikram Charitable Trust

*(A National level Non-Governmental Organization)*

**URIVI VIKRAM  
NATIONAL CENTRE FOR ADOLESCENTS  
(UVNAC)**

## Founder Chairman's Message

**URIVI VIKRAM**  
(18th Jan. 1970 - 13th Dec. 1990)

A young man with great enthusiasm, novel thoughts and a wide vision, Vikram met with a fatal accident when he was almost 21. An ardent believer in justice and fair play, Vikram had a passionate zeal to usher in a society free of corruption and nepotism. UVCT's mission is to fulfill Vikram's cherished ambitions.

*Dear Friends,*

Year after year, as Life moves on, we tend to become more philosophical due to some of our own compatriots departing from us into oblivion. Still, we resolve to carry on as we have to live till death really snatches us away. Since long, I believed in 'Jeevan Mukti', that is to live your Life in Full, but with utmost detachment! Nachi keta talks about it in 'Kāthopaniṣad'.

Covid epidemic tore us apart in this 2021. Three of our UVCT warriors – Mr Abdul Raqueeb of Visakha Chapter (on October 9, 2020); Mr Jami Govind Rao, coordinator of Tekkali 'Pragati Patham' (on October 2, 2020); and Mr X.M. David, husband of Mrs Sabrina David of Mumbai Chapter (on July 22, 2020) - succumbed to the dreaded Covid menace. We have experienced an unusual situation and had to adopt ingenuine ways and means to cope up with these threats of Carona.

The activities of the Trust obviously suffered. The last phase of Delhi's Reformation and Rehabilitation programme of Young Offenders in Tihar Jail had to be modified due to ban of entering Tihar Jail premises, with more emphasis on Rehabilitation of offenders who are out on Parole or other. The Bharat Petroleum Corporation Limited (BPCL), which funded the Project were very accommodative and helped in successful completion of the project. It ended with a Trans India Webinar to talk about the gains of our 3-year long endeavour. The holistic approach of Mumbai Chapter for empowering 10,000 students from 30 schools, which was renewed for second year (Saksham 2) also ended prematurely due to closure of schools. We have been pursuing with the Mahanagar Gas Limited (MGL) for release of the pending grants. The third major programme, Childline at Kalyan Railway Station (Maharashtra), continued to do well, with the relevant Project personnel tried to play the role of Covid Warriors. The long continuing Target Intervention program for HIV/AIDS awareness and prevention campaign amongst migrant workers of Wazirpur Industrial complex has also done well. In order to focus on our own core functions, we got the IGNOU Study Centre closed. Tekkali's Pragati Patham, a Resource Centre for job seekers, continued to function.

The Sohan Lal Commodities Private Limited (SLCM), New Delhi generously continued their support for an adolescent-centric counselling and empowerment programme. The Tagore Garden Centre, New Delhi, sustained it's activities despite the Covid restrictions. Thanks to the Team, especially our Vice Chairman Dr Girish Kumar of Mumbai and General Secretary Shri BS Negi in Delhi, who ably pursued our avowed objectives...with love to all.

New Delhi  
1st December 2020

**Dr UNB Rao**  
Ph.D., IPS (Retd.)  
Founder & Chairman

## General Secretary's Message

*Dear All Well Wishers*

I have been associated with the Urivi Vikram charitable Trust right from its inception. We grew, step by step, in the last 28 years and succeeded in evolving many programmes, especially the Life Skills Education programmes for out of school adolescents; the National Policy for Adolescents; and establishing first-ever National

Centre for Adolescents. We are extremely thankful to the Punjab National Bank, which found our premises beneficial to them and thereby, agreed to stay on for 15 years more. The rental from the PNB has been an assured income for the sustenance of UVCT activities. Their support helped us, especially in these Covid times when some of our Projects had to be hurriedly closed down. The Sohan Lal Commodity Management Private Limited (SLCM) has been yet another good Samaritan for extending our activities. In appreciation of our commitment to the welfare of marginalised sections of society, SLCM renewed their financial assistance during the current year also.

We like to assure all our well wishers and donors that every rupee received by us is fully accounted for and effectively used for public good. In this regard, we are thankful to our Vice -chairperson Chhaya ji who takes special care of all our expenditures and saves from avoidable expenses. We are also thankful to our Office bearers of our outside Chapters/Centres for successfully carrying on with their activities.

We look forward for support from all of you, in carrying on with this mission of service to mankind, particularly the younger generation.

**(Bhagat Singh Negi)**  
General Secretary UVCT

## About Urivi Vikram Charitable Trust

The Urivi Vikram Charitable Trust (UVCT) is a non-governmental organization, striving for the social and economic empowerment of young People (10 to 24 years) since 1991. In 2017-18, UVCT celebrated its Silver Jubilee and expanded its activities and outreach through its various chapters in India and the US. UVCT hopes to fulfill its vision by perseverance and passion. This year we increased our reach to Maharashtra with projects under Childline, Saksham, Happy Projects and in Delhi with Reformation and Rehabilitation project in Tihar Jail.

### Vision

UVCT's vision is to find ways and means to transform the ever-growing population of India or this "Burden of Population" into an "Asset of Human Resource" and thereby, help in ensuring better utilisation of India's demographic dividend.

### Mission

UVCT has been striving to work for the development of adolescents and young adults of the nation through "empowerment" rather than "control", and bring the dropouts, underachievers, and children in conflict with law, especially those belonging to marginalised and deprived sections of society, back to mainstream. It is UVCT's mission to help these children to become socially responsible and economically productive citizens of India and the world.

### Objectives

1. Develop awareness through seminars, group discussions and camps to help young adults find solutions to their problems- psychological, financial, ethical and social;
2. Help young adults acquire a realistic value system that is conducive to the development of a healthy society and to develop the concept of oneness of all religions and love for the homeland in the youth, by raising their level of consciousness;

3. Develop educational and skill training programs for school dropouts and under-achievers, to enable them to become not only economically productive but also socially responsible citizens of India and the world;
4. Develop counseling centres for disturbed youth; and to establish rehabilitation centres for juvenile delinquents to provide both emotional support and skill training;
5. Develop skills among the young adults and women related to textiles, handicrafts and other ancillary Industries;
6. Endeavour to promote equality of status and opportunity, assuring dignity of individual and the unity and integrity of the Nation. Ensure optimal services for the hygiene, health and happiness for all citizens of India; and
7. Provide Financial Literacy for Youth and Women in backward communities for employment and awareness related to formal banking.

### Advocacy

UVCT has been actively engaged in advocating for the issues of Adolescents since its beginning, be it a National Meet "Towards policy for Young Adults" held in 1999, which resulted in a report on Adolescents (2001) by Planning Commission; another National Meet was held in July 2005 on theme "Adolescents: Vision 2020" in order to draw the attention of the policy makers and relevant segments of the society about the challenges being faced by and opportunities available for the adolescents; and another National Seminar on "Demographic Dividend: Challenges of Young People in India" was held on 6th May 2015 at India International Center, New Delhi.

In furtherance, on the occasion of Silver jubilee celebrations of the organisation, UVCT had organized a National Consultation Meet on the Theme "Mainstreaming Skills in Education" on 6th December 2017 at India International Center, New Delhi.

## Highlights of the Year

### *BPCL Joins UVCT for the Reformation and Life Skills Programme at Tihar*

UVCT gained BPCL's support from 1st August 2019 for its innovative project which was started by the UVCT in 2017. The project, first of its kind in India, where young offenders (aged 18 to 21 yrs) are put to reformation processes through Life Skill Education, backed by psychoanalytical therapies, vocational guidance and rehabilitation support. This holistic support is provided to bring down the spiralling trends of crime and re-integrating young offenders into main-stream of the society.

L to R Mr. B.V. Gokhale (BPCL), Seema Naqvy (UVCT), Dr. U.NB Rao with Mr. L.K.Watts CGM North BPCL, Mr Sandeep Jhwar (BPCL) and Mr. Rajesh Kashyap (BPCL)

### Meeting with the DG Prisons and Prison Staff

On 1st October 2019, Project team led by Dr. Rao himself, had a detailed meeting with the DG Prisons and the senior staff of the Prisons, to apprise them of the theme and the detailed methodology of our programme. A detailed presentation on Life Skills Education and the format to be used for regular interaction with the inmates was made, which led to queries and discussion that helped the Prison staff to get a better understanding of our Programme. DG appreciated the programme and the proposed impact analysis. With this, the

Project team is assured of running programme more effectively.

### *UVNAC: Inauguration of 'Achintya Tejas Conference Hall' & Consultative Meet on 'Adolescents and Social Media' on 12th Feb 2020*

**A consultative meet on theme "Adolescents and Social Media" was held on 12th February, 2020 at Urivi Vikram National Centre for Adolescents (UVNAC), Dwarka, New Delhi.** The meeting marked the inaugural of the 'Achintya Tejas Conference Hall'

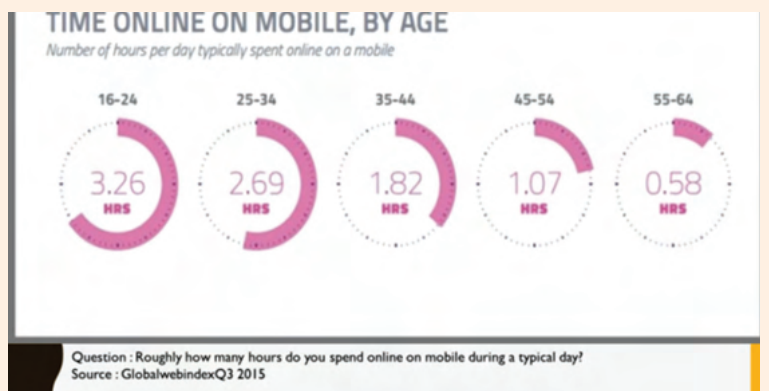

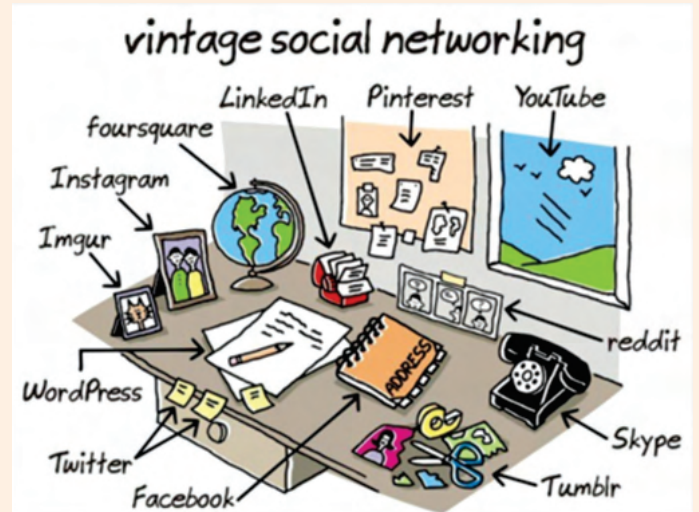

at Urivi Vikram Charitable Trust. The conference hall is named in the memory of Dr. Rao's grandson and a wonderful soul, late. Achintya Tejas Garikaparathi, who was killed in a road accident in Bahamas at an age of 19 years. The meet was attended by academicians, school principals, counsellors, media persons, journalists, police personnel, practitioners, NGOs representatives and other professionals with similar interests.

**The chief guest on the occasion, Shri Tejendra Khanna, former Lt. Governor of Delhi, in his address shared his concern on the loss of moral values and reading habits in today's children and youth; emphasized the role of parents and teachers and called for building a balance between inner life and outer life, based on TRUE LOVE between all beings. Dr. N Bhaskara Rao, founder Chairman, Centre for Media Studies (CMS), in his inaugural address cognized the important role and potential of social media for connectivity and communication.** He also referred to the emerging trends viz. productivity age being reduced from 25-30 year age group to 15-25 year age group, as a consequence of accessibility and exposure to social media. Social media should be enabling young adolescents to think not only big but also beyond. In view of the surveillance role social media has acquired, substantiating with evidence, he later called for a cautious approach; prohibiting/limiting access of social media to children below 9

years and a foundational back up of cultural values and ethos rooted in family traditions of India like Grandmother's tales.

Dr. UNB Rao, Founder Chairman of the UVCT, reflected that social Media has multiple effects on Adolescents and as a National Centre for Adolescents, we need to study this and look at coping and preventive mechanisms. He added that UVNAC intends conducting a National Seminar on the same issue preceded by surveys and more consultative meets.

A presentation was made by CYPAD, Delhi Police that portrayed the nature and extent of cybercrime in India and how police could help in tackling a problem. Subsequent interactions amongst the eminent participants brought out the various experiences in use / misuse of social media., Some elaborated on the magnitude of social media addiction and its

consequences like substance abuse, early initiation into sex and growing intolerance among children and adolescents emerged as an important concern. Alongside, some of them also cited how they are handing the perceived menace to the advantage of the user.

The Meet served the desired purpose and encouraged UVNAC to go in for more elaborate and target-oriented studies.

## *Launch of Saksham II*

Saksham II commenced on 15th Jun 2019 and held its first Principal's meet on July 4th 2019 in the gracious presence of the Chairman Dr. U N B Rao and Vice Chairman Mrs. Urivi Chaya Rao. The Deputy Education Officer of North East Mumbai inaugurated the meet with the traditional lighting of the lamp. The MGL officials, Mrs. Neera Asthana (Deputy Manager - CSR), Mr. Nishant Sinha (CSR - Manager), Mrs. Namita Vanmalli also graced the occasion with their presence. Much went into the strategic planning of the project before its final implementation. Our remedial teachers were well trained and motivated to take up the challenge. With full gusto they started work by taking up the schools designated to them as

Dr. U.NB Rao with DG Prisons, DIG Prisons, AIG Prisons, GM (BPCL), Superintendent CJ5, DS CJ5 and Director (OD) UVCT

per their subject expertise. It was indeed a herculean task for the teachers to start from A B C, but a sustained and diligent effort worked well. With the cooperation of the principals and regular teachers did yield the fruits of labour. A uniformed syllabus and decided conspectus of selected topics for each subject and each standard with a set of books given to the teacher made it meticulous and systemized

learning for students. Some Principals demanded for more teaching time from our teachers.

## *Other Activities at UVNAC*

### **SPSS (Statistical Package for Social Sciences) workshop**

UVCT organised a successful workshop on SPSS on 19th October 2019. SPSS is a statistical and user-friendly tool which is widely used in academics by researchers, students and professionals of Social Sciences. The workshop, conducted by Ms. Arshiya Kochar (MSc. University of Kent), was attended by about 75 students and professionals, in two Sessions. The software was provided to the participants and hands-n practice during the Session. The participants were also extended online guidance for one week after the workshop.

### **Counselling Workshop**

The workshop was dedicated to the topic on Counselling from Carl Roger's perspective on 1st March 2020. The workshop emphasised on some crucial practices such as client centred therapy,

Humanistic and Existential perspective. The workshop was conducted by Ms. Eva Das, Research Scholar, DU and Mr. Raunaq Chawla, Asst. Prof. JIMS. The session highlighted that main ingredients of Counselling are Empathy and Unconditional Positive regard. The workshop also included some fun activities that lightened the audience mood. Overall, it was an interactive and informative workshop.

## Centres of UVCT Delhi

### **BINDAPUR : Art Competition**

Besides usual activities of skill training, on the occasion of Swami Vivekanand Jayanti, UVCT arranged a drawing competition for children. The event was open to both in-school and dropout children. At the end of the event, three winners were given prizes. All the students were given complementary lunch.

### *IGNOU Study Centre*

Urivi Vikram Charitable Trust: IGNOU SC-38013

UVCT has been running IGNOUs study Centre successfully since 2010.

This year too, UVCT continued facilitating as a IGNOU study centre for the Re registration of January 2020, providing array of students from different backgrounds from housewives, elite professional, senior citizens and youth.

The following are the Re-registration of students who took admissions in January 2020

RR list, July 2020

Course	FRESH	RR	Total Number of students
MSW1st year	178	0	178
MSW IInd Year	0	128	128
MSWC 1st Year	38	22	60
MSWC2nd Year	0	23	23
BSW1st year	163	0	163
BSW IInd Year	0	79	79
BSW IIIrd Year	0	57	57
M.Sc CFT1st Year	24	0	24
MScCFT IInd Yaer	0	21	21
MAPC1st Year	321	0	321
MAPC IInd Year	0	0	0
BA 1st Year	152	0	152
B.A IInd Year	0	37	37
B.A IIIrd Year	0	43	43
Total	876	410	1286

However, this year while reorganising our organisational goals, we requested withdrawal of the IGNOU Centre. We feel sorry for students who were patronising our Centre. And have to face inconvenience due to the change in their Centre.

### *TARGET Intervention Wazirpur*

**HIV/AIDS Awareness, prevention and identification program in Wazirpur Ind. Area Delhi**

UVCT is running Targeted intervention program at Wazirpur, Mangolpuri, Haiderpur Industrial area under the agis of Delhi State Aids Control Society (DSACS)

Our team reaches out to the vulnerable people, making them aware of the risks and connecting them to services provided by the National AIDS Control Programme.

HIV/AIDS still remains a leading health problem in the world. India is also facing from this problem at a

vast level. Indian government is trying to prevention of HIV/AIDS with the help of NGOs. Indian government has made a plan that every HIV+ people should know their statues till 2030 so that new HIV+ cases could be stopped in future. In this regard UVCT has been also running targeted intervention program to prevention of HIV/AIDS among migrant workers who come from other states for surviving. UVCT team reaches out migrant people to make them aware about HIV/AIDS, STI, ICTC testing etc. UVCT team spreads awareness amongst the migrants for safe sex which is the main source o HIV/AIDS. Further, UVCT team gets the high-risk people ICTC tested and gets HIV infected people linked to ART center. UVCT facilitates all aids which are provided by DSACS.

A couple of HIV stories from our bag:

- 1. UVCT team identified an HIV+ case in CBS camp in Mangolpuri industrial area, who was young about 25 years old. He was the main source of income in his six members' family. He was linked ART center in Baba Saheb Ambedkar hospital. Now he is taking ART regularly and pink in health and doing job.
2. Our UVCT team found three HIV cases in March 2020. One case was very critical but our UVCT team taken this one very seriously and linked him to ART center in Baba Saheb Ambedkar Hospital and got him admitted for other treatment for 14 days. Now he is good in health.

Table with 2 columns: Description and Value. Includes rows for Total registration (19677), Total health camp (259), Total people covered in health camp (6099), STI cases found in health camp (68), Total HIV cases found in last year (10), Link to ART (6), Total counseling (5536), Total coverage (67742).

Tagore Garden

UVCT SLCM NIIT Centre

From a need assessment conducted, it was observed that the many youth lacked technical knowledge

of computer science which is also observed to be a prime reason for the prolonged unemployment of the educated youth. To address this problem, UVCT in collaboration with NIIT N-Reach started a new program to upgrade the already existing computer skills program. The program was supported by SLCM under their CSR project. Through N-Reach, UVCT looks at equipping the youth with all the necessary support to implement quality programm

The courses that have been newly started are as follows-

- Certificate course in Microsoft Office, CCMO 2010-Basic IT course
• Certificate course in Advanced Word and Excel, CCAWE 2010- Advanced course
• Certificate course in Spoken English and personality Development

## Community Events In Field

**Count of beneficiaries**

The Total number of students who have completed the course and have been felicitated

Course	Number of Students
CCMO2010	100
CCAW 2010	100
Spoken English and Personality Development	100

organized in two phases. The First phase held on 28th of May 2019, with the participation of advocate Harsh Chauhan from DSLSA and the staff and students of UVCT. The main purpose of the campaign is to make people aware of their Fundamental rights that are provided by the Constitution of India.

**• Awareness camp in slum areas**

UVCT organized a community survey and awareness campaign in the slum areas of Tagore Garden and Raghubir Nagar. The campaign was

In the Second phase, interns from Punjab University and the DSLSA conducted surveys about the conditions of women in slum areas and provided them all-basic information about rights of women against crimes.

### • Environment day celebration

As we all are the part of Mother Nature and it is our duty to save, protect and grow our mother earth, students and staff celebrated the Environment day on 6th June 2019. The programme consisted of plantation, painting competition and an expert lecture on female hygiene. The lecture centered on the use of natural fabric pads instead of plastic or synthetic materials.

- **Activity of painting in center**

As we all know, our Yuva Shakti Kendra is place where youth can give better opportunities to their career, youth and trainers planned to clean

and paint the major area of center themselves, for this, staff and interns works together in painting work while students cover the wall painting on different walls. The main motive of this activity is to enhance the creative skills of students while beautifying the Centre.

- **Workshop on MHM (Menstrual Hygiene Management)**

To improve the menstrual health of our female students we organized a 1-day workshop on 27 June of Menstrual hygiene management. The main motive of the workshop is to aware students about the misconception about menstruation and various tools and techniques to use in their cycle to prevent various diseases and to maintain their hygiene.

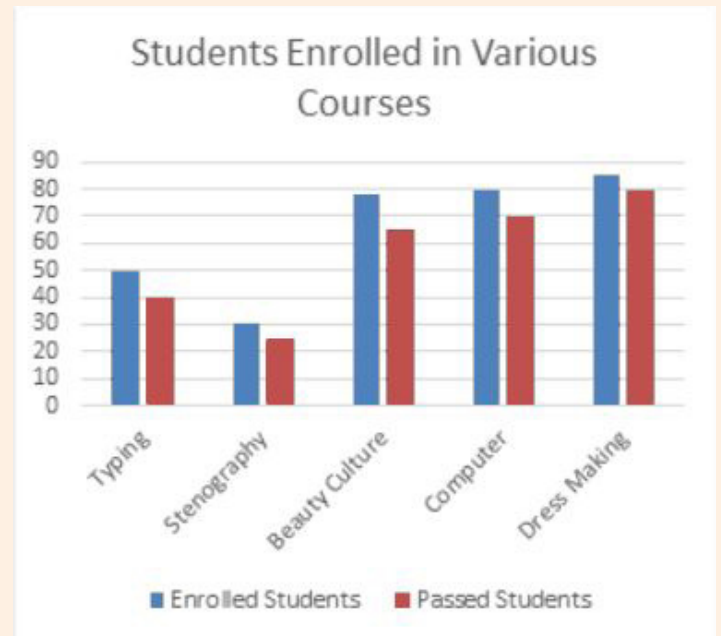

• **The Certificate distribution ceremony**

In every trimester, many students complete their various courses under their trainers. To appreciate their hardwork and sincerity, UVCT

organizes certificate distribution ceremony of all students. The programme was graced with the presence of Dr. UNB Rao, Chairman (UVCT), Mr. Sitanshu Narad and Ms. Diksha Arora from SLCM Limited. All of them motivated students by sharing their experiences of lives. The programme also consist cultural performances by students and interactive sessions.

**Total number of students**

Courses	No. of students enrolled	No. of students passout
Typing	50	40
Computer	80	70
Stenography	30	25
Beauty culture	78	65
Dress making	85	80
Total	323	280

## Success Stories

My name is Anju and I joined NIIT CCMO course under UVCT since August, 2019. I feel fortunate that I've joined typing and computer course together. I loved the way teachers taught here with live examples. With the help of these two courses, I started teaching computer to my children and their friends.

**ANJU**  
(Computer NIIT)

My name is Prabhjot kaur and I joined NIIT English and Computer course after 12th to gain new skills. I have also joined beauty culture course. With the guidance of teachers, my spoken English improved rapidly. Now I am working with axis bank and joined the course of cabin crew and really thankful to the all faculty to guide me which helps me to get the great job right after completion of both courses.

**PRABHJOT KAUR**  
(Computer Niit, English and Beauty Culture)

My name is Shweta and I have enrolled myself for stenography under UVCT. My aim is to get job of stenographer in government sector. With the help of personality development classes, my self- confidence boosts up and I started paying more attention in class. Due to which, my speed increases upto 80 word per minute and I qualified pre level of

exams.

**SHWETA KUMARI THAKUR**  
(Stenography)

My name is Mona. I have joined typing course in UVCT Tagore garden center. After 12th, I am not able to choose right field but after joining here, teachers guided me to choose right field and help me to get admission in graduation. Along with that, Sehgal sir help me to build my speed in typing by which I have 45WPM speed in typing and which makes me

confident to compete in many government and private sector. In addition, I have started working in BPO in my native city.

**MONA**  
(English Typing)

मेरा नाम अमरजीत कौर हैं। शादी के बाद जब मैंने अपने आप को आगे बढ़ाने का सोचा तो मुझे लगा कि मुझे सिलाई का कोर्स करना चाहिए मैंने UVCT में सिलाई का कोर्स किया यहां मैंने 3 महीने का सिलाई का एडवांस कोर्स किया मुझे शुरुआत की सिलाई आती थी इसलिए मैंने एडवांस कोर्स में ही एडमिशन लिया एडवांस कोर्स करने के बाद मैंने अपने घर से ही शुरुआत की और आसपास के लोगों के कपड़े और रिश्तेदारों के कपड़े सिलने के लिए एक्स्ट्रा कमाई होने लगी और उसके बाद मैंने अपने पड़ोसियों से भी ऑर्डर देने शुरू किए आज सिटी की टीचरों के बदौलत ही मैं अपने पैरों पर कुछ हद तक खड़ी हूं और जल्द ही अपना खुद का बूटीक खोलने की सोच रही हूं।

**AMARJEET KAUR**  
(Dress Making)

It is delightful to be the part of institute that helps children to grow in every way. I have joined UVCT after my job training from School. I have joined two courses of beauty culture and dress making. Apart from the course trainers, other teachers are also very helpful. They help to grow my skills, provided counseling and guided me in every way. Gauri mam always helped me in course and I improved my stitching during lockdown and took order from neighborhood, which helps me to earn.

**POONAM**  
(Dress Making)

Good teacher is hard to find but I found one in my beauty culture teacher. I always want to become beautician, for which I joined beauty culture course in UVCT, here I learnt all the basic techniques and key points to make myself perfect, after completion of course, I have applied for job in leading beauty parlor and getting good salary as well.

**MANPREET KAUR**  
(Beauty Culture)

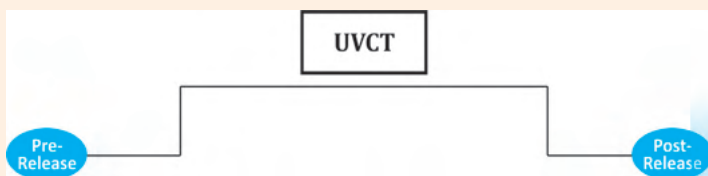

## Tihar Intervention

Over the last decade, there has been an increase in number of youth entering the prison system for first time and also reoffending (Crime in India, NCRB report). The Lipsey (2009) international review classified the various programs into broad categories based on their philosophy and general approach. The results showed that ‘therapeutic’ interventions were generally more effective at reducing reoffending than those that were primarily focused on punitive or control based approaches. Therefore, reformation should aim to target and address ‘dynamic’ factors (i.e. those that can change over time, e.g. an individual’s drug use or motivation to change). For example, consideration should be given to providing interventions and support that can bolster self-esteem and resilience, appropriately challenge and change certain thought process, increase skills, and facilitate viable alternative options to an individual’s lifestyle. The importance of practitioner ways of working with young people, the ‘therapeutic alliance’, both in secure institutions and community, is emphasized in qualitative studies (Jane, 2010). Urivi Vikram Charitable Trust bases its philosophies on the same lines as discussed above or in simple words, observes Restorative Justice Practise styles

The Work can be explained by the following figure

**Pre Release mechanism Education**

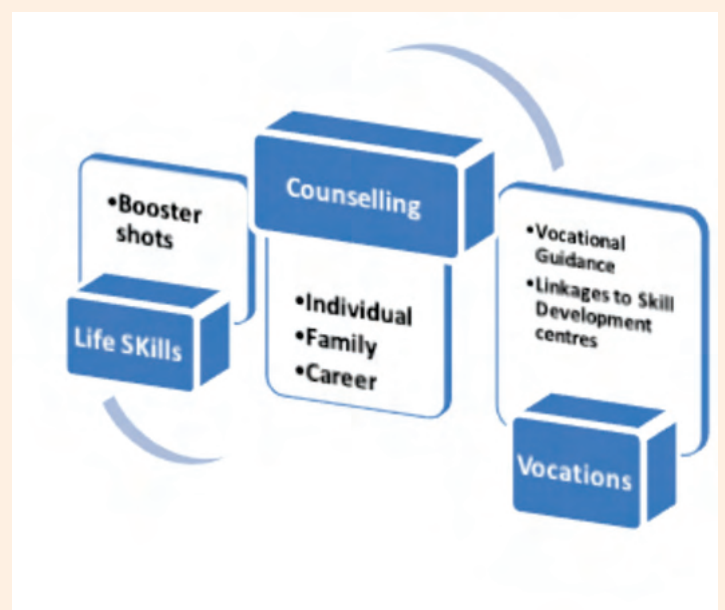

UVCT had enrolled 1000 young adult offenders in the Life Skills based Education program in the Better Life Prison School in the year 2019, from January 2019 to December 2019

**Successfully conducted fifteen 45 days module program for heinous and hardened offenders and twenty five 15 days module program for the**

### first time offenders

- They were subjected to Life Skills based Education in an organized form as regular classes over the period of the course
- Improved change in Criminal Propensity observed

## Psychotherapy

UVCT has a special focus on **reformation of the young adults through Psychotherapies**. Sessions of Individual Counselling, Group Counselling and Career Counselling are conducted through professional and evidence based techniques. **Cognitive Behavioural Therapy** is the most common used technique by the professionals.

From the interaction and a detailed analysis of individuals who were subjected to therapy the following problems have been shortlisted

- **High Neuroticism** indicates anxiety, worry, fear, anger, frustration, envy, jealousy, guilt, depressed mood and loneliness
- Assumes minor frustrations as **hopelessly difficult**
- **Delayed Gratification**
- Leads to **mood disorders, anxiety disorders and substance use disorders**
- **High Social Desirability** indicates self consciousness and rationalization as a defence mechanism
- Feelings of **low self worth** and powerlessness is often denied
- **Inflated** sense of self
- High Lie scores doesn't indicate the Individual's state of mind or situation at different times, rather it is an indicative of their personality, to often end up in other's good books

UVCT successfully catered psychotherapies to fifty individuals based on different psychological issues. The criteria of selection are abnormal scores in criminal propensity test or referral from prison staff. Cognitive Behavioural Therapies are used to attend to the problem.

## After-Care

The real impact of the Education and Therapies can only be measured by how well the individuals repatriate, or in simple words how well they adjust back to the society. UVCT also has a post release mechanism where the individuals are catered. The individuals are subjected to career counselling, Individual counselling, family counselling and booster shots of life skills. The individuals keep in touch through regular phone calls and messages. They also visit the Head Office, UVNAC where they are subjected to further motivational sessions.

Info cards that are distributed to individuals' pre release to maintain contacts post release

*Essay Writing Competition Climate Change Awareness session*

*Poster Making Competition*

*Individuals participating in poster making*

*Film Screening*

*Peer Educator setting up before the event*

**Felicitation of Swachhta Pakhwada event, DG Prisons Ajay Kashyap along with Mr. Lalit Watts, BPCL and members of UVCT**

UVCT believes in positive reinforcement and hence, the Life Skills beneficiaries were felicitated with certificates.

*Dr. U.N.B. Rao addressing the young adults*

*UVCT conducting awareness on Indian Constitution in forms of various events as a part of*

## Constitution Day

*UVCT being a part of the Youth Open Parliament in the prison school*

*Dr. U.N.B. Rao (Retd. IPS), Founder Chairman, UVCT presenting trophy to Mr. B.V. Gokhale, BPCL acknowledging their benevolent support for the project*

## *Mumbai*

Established in 1991, the Urivi Vikram Charitable Trust (UVCT) works for the development of adolescent and young adults (empowerment) rather than control. The trust visualizes that due care must be given to the stage of adolescence (aged between 10 - 19 years) a period of rapid development and identity crisis in one's growth. UVCT partnered with Mahanagar Gas Ltd. to sustain and achieve its goal through its project Saksham II. Phase I of Saksham I was successfully completed in November 2018. With the same objectives in mind - MGL continued its support for Saksham II as an extension in its second consecutive year.

### *Launch of Saksham II*

**With much entheriasm contiued this year with training help for oriented in , infrastincline sschools.**

The teachers were empowered by experts of each subject in the day long training module. A two - day holistic approach training was given to the teachers in the 'Quest program' conducted by the Lions Club of Ghatkopar. Science teachers were trained by the professor of Tata Institute of Fundamental Research in how to show practical in an indigenous manner without the regular apparatus. Maths and English was also taught in a whole way to interpret to the students in a play way method with new techniques.

Parent Orientations and Mohalla Meets, oh my God! what an amazing response we had this year from 300 to 3000 parents- Jewelry making, soap making (organic soaps), chocolate making, paper bag making, designer paper bags, envelopes and gift wrapping. Parents were asking for more such workshops' Yeh Dil Maange More'.

Counseling had a tremendous impact with terrific results. Group as well as individual counselling highlighted the promising and problematic cases whose sessions went on till the end of February 2020.

*The student's zeal and enthusiasm to learn was seen just before the SSC board exams in Maharashtra*

*Supposed to crack the board classes for a Week went on for over a month with a steady group of students attending the same for four hours everyday. The remedial teachers gave their very best to the children*

Infrastructure help to schools was remarkable as 3 schools repaired their classrooms well before the Monsoon. Seven schools were given the latest projectors which can project images/movies and

any other visuals from the mobile phone directly with high definition precision. Twenty schools had varied demand which have been complied with before the end of 2020 itself.

All Thanks to Dr. Girish Kumar our Mumbai chapter Head whose painstaking efforts completed the task of infrastructure well in time, a special mention must be made of our secretary Ms.Vishala Jaidev for her timely interventions as and when needed.

## Case Study

### Making a difference

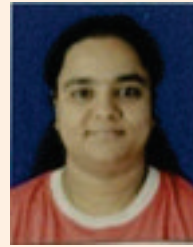

Nemichand B. Phulwariya aged 16 yrs. student of 10th std. from Gyan Vikas School scored 41% in the 9th Std.

He is son of a footwear maker who hails from Uttar Pradesh. His ailing father operates from a small one room kitchen house. He stays in slums and has two more siblings. Elder brother helps his father in the business. Because of his financial conditions he was not able to attend any tuition classes. Maths, Science & English were his weak subjects and he always found it too difficult to understand. He also helps his father and brother in the business during day time. Mother and younger sister both do all the household chores. Both elder brother and younger sister are not educated but Nemichand wants to study further and so he joined the Night School.

something we will give him full support in his studies.

Teachers at Night school say that he is good in his studies and behavior.

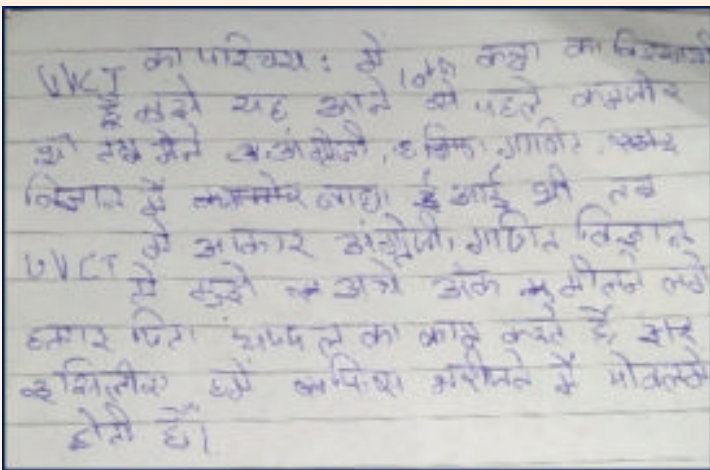

UVCT gave a month long special coaching to the needy students of 10th Std. in English, Maths and Science subjects.

Remedial Teacher Mrs. Gomathi Ramachandran who taught English to Nemichand says that he was a silent boy when he started to come for the 10th std. Board exam preparation. After a month's session in English, he could answer the question paper and also manage to get passing marks.

Similarly for Maths because of the special training he could understand the concepts and theorems in Geometry. This has helped him to perform better in the practice board paper given by Ankush Sir.

In Science, Suvarna Mhaske the special educator gave a digital teaching of all the lessons. A better performance was seen in the practice Board papers.

His aspiration is to pursue further studies in computers after graduation and become an officer. UVCT tried helping him in his studies by giving a free crash course of 25 days just before the commencement of SSC board exams.

When I joined the extra classes run by UVCT my performance in English, Maths & Science subjects improved.

His elder brother is of the opinion that because of their family conditions he could not study but as Nemichand has the interest and wants to achieve

UVCT will try to guide him in selecting higher studies according to his interest and capabilities and also help him in finding institutes that provide computer courses.

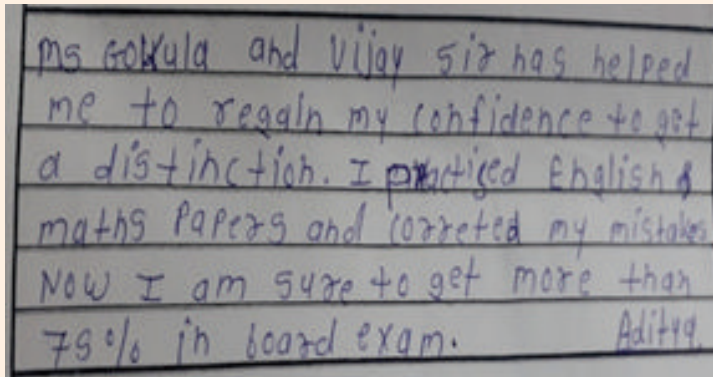

Aditya Santosh Ranjane, aged 14 years, a student of Std. 10 from Savitribai Phule School, Ghatkopar, Mumbai. He scored 85% in the 9th std. and studies in a Marathi medium school.

His father is a driver in a private firm & mother is a house wife. Both parents have studied up to Xth std. He has an elder sister studying in XIIth. The

family stays at Ramabai Nagar colony. Although financially stable they stay in a small room where studies for both him and his sister are not possible. So sometimes he studies in the common garden at night so that the other family members do not get disturbed by his studies.

Says Aditya :

“My immediate aim is to score above 75% but I was finding it difficult as I was not able to score in English & Mathematics. Gokula mam & Vijay Sir helped me to regain my confidence. They gave me good practice of solving board papers & showed me my mistakes where I was losing marks.

Today I am sure to get a Distinction in the Board examinations.”

Vijay Sir - Mentor

Aditya's father says that Aditya is very keen to pursue higher studies so he will work hard to make his dream come true.

Teachers of his school say that he is a very sincere student and has a very good family support.

Aditya is a bright student who was given UVCT scholarship last year. However he was not able to score full marks in Mathematics & was weak

in English. He honestly spoke to me & wished to improve in both subjects. We started giving him simple questions to answer from board papers & that is how he started gaining confidence. Today he is confident to get a distinction.

Aditya wants to join Local Administration services in Maharashtra. For this he must have a minimum FIRST CLASS throughout starting from X Board examination. UVCT has helped Aditya by giving him highly knowledgeable and experienced teachers and special classes were conducted on Sundays for the same. After his exams UVCT is willing to provide Career Counseling sessions and help him choose the best possible options.

## *Mumbai Part -II*

### **UVCT Kalyan Railway Childline**

‘UVCT KALYAN has completed three years in December 2019; Team Childline has been working extremely hard, yet quietly. These years have shown the maturity grow to a new level and the commitment and sense of responsibility towards the society grown to extremely high level...

Is it easy to find the home of a child who is lost ?...there are many stories, where team had been threatened to change their decisions against the favour of child rights..But UVCT Kalyan railway childline stood strong in making the right decisions in favour of children..That's a mission well executed.'

### **UVCT Kalyan Railway Childline has been phenomenal in the year 2019-2020**

The reason is quite simple...out of the 521 cases 99% cases have been handed over to their parents and the children are in safe hands of the parents, but it is not that easy...to find the address and contact numbers of the parents..the skills of the team are challenged.. Team Kalyan Railway Childline have so far proved they are the best in this challenging space!

Usually 99% children do not give contact numbers, here the counselling of the child comes in to play..

## Urivi Vikram Charitable Trust

one way to track is to send a message to all police stations regarding missing complaints..the other way to track is to send police squad to the address location and search the child's location. The local MLA helped many times if a child's address has to be found.

The team has risen in the use of technology, being smart and resourceful to find location of the child e.g Facebook, WhatsApp etc. Many a times team was given a contact number which is switched off.. but when searched on WhatsApp the number was active..on facebook too. Sometimes if required, team members visit the place themselves..trusting the child. There are 100 different ways to find the child's address..and contact number and the team has mastered in it..because first priority of the team is that the child should reach his /her parents..

The participation and involvement in activities by the team was up to the mark..with most of the planning and implementation done by the women WARRIORS of Childline team..starting with the begging campaign in June to Womens day in March.. focus towards work was highest..the team was at the peak and stood strong even during the disastrous floods..

### COUNSELLING-

The implementation and confidence shown by the counsellor and the team in handling the activities , cases is outstanding. The dedication shown towards work was also remarkable.

On 2nd December 2019, UVCT Childline project completed three years of functioning.

The commitment and skills shown by UVCT Kalyan Railway Childline at the station have been outstanding. With the guidance of our honorable Director Ms. Smita Chitre and Ms. Nupur Tyagi.They have been the supporting pillars the Childline team always wanted.

WE CONTINUE OUR FIGHT FOR THE CARE AND NEED AND PROTECTION OF CHILDREN.

### Total number of cases handled (category wise)

Sr.	Month	Total cases	Category	No. Of children handed over to parents/ Shelter
1	April 2019	42	42 Cases found	42 children were handed over to their parents
2	May 2019	54	50 found / 4 missing	50 children handed over to their parents
3	June 2019	42	4 missing/ 41 found working child	42 children handed over to their parents
4	July 2019	17	17 found	17 children handed over to their parents
5	August 2019	36	36 found	36 children handed over to their parents
6	September 2019	32	32 found	32 children handed over to their parents
7	October 2019	34	32 found/ 2 missing	32 children handed over to their parents
8	November 2019	63	59 found/ 3 missing/ 1 other	58 children handed over to their parents/ 1 child is still in shelter
9	December 2019	76	70 found / 6 missing	76 children handed over to their parents
10	January 2020	40	40 found	40 children handed over to their parents
11	February 2020	65	64 found/1 missing	65 children handed over to their parents
12	March 2020	20	20 found	20 children handed over to their parents
	TOTAL	521		

Note - At the time of this report, all the children have been handed over to their respective parents.

### Some important CASE STUDIES UVCT KALYAN RAILWAY CHLDLINE

CASE STUDY 1	CASE STUDY 2
<p>A 4 year old girl was found by a passenger in a local train on Kalyan station. Passengers who knew about childline brought her to the desk and handed her over to The Childline team. The child was so small, did not know about her parents details and address. But the caller (passenger) said that she boarded the train from Dombivali station, so team searched with RPF and GRP of Dombivali and Thane..when everything seemed to come up with NO as the answer, Childline team received a call from city police in Dombivali who came up with a photo of the girl. After home visit and due verification the child was handed over to the parents by help of GRP. The mother came at the desk..and when the mother and child hugged and cried, it was the happiest moment. After proper document verification with GRP.</p>	<p>On Kalyan railway station platform No1 Childline Team observed this 16 year old child who appeared in sort of panic, they spoke with her and tried to calm her down. She was found to give fake info. When the team counsellor spoke with the child ,she revealed her real name and address and she said that her parents were going to force her to marry so she had left the house a couple of days earlier, later she arrived in Mumbai by Bhopal Express.</p>
<p><b>Case study 3</b></p> <p>This 17 year old girl was found on Kalyan Railway station platform No.6 / 7 on 12.02.20. Upon intervention, she told that she had left her home in Nagpur. The child looked disturbed and in panic, childline team spoke with her, she said that she was angry as her father had beaten her and that she did not want to return to her home. So, after conducting her general medical examination, she was placed in Ulhasnagar CCI and her parents were called to inform that the girl had been found at Kalyan. The girl was not ready to go home even when team presented her before the CWC the next day The CWC gave her time to think and understand her and then the girl was ready to go home. CWC gave the child custody to her parents, now she is with her parents in her home.</p> <p>Team member :- Priya</p>	<p>When the girl's parents were called, it was learnt that there was a missing complaint registered in the local police station. The parents were called to Kalyan it was to take five days, so team placed her in the Child Care Institute (CCI) for safety. She was presented before the CWC on 4/2/20. On 6/2/20, the parents of the girl came and team presented them before the CWC. After all the inquiry and proper document verification, the CWC handed over her to her parents. Now she is with her family and she is happy.</p>

**VARIOUS ACTIVITIES ON KALYAN RAILWAY STATION 2019**

<b>BEGGING SURVEY CAMPAIGN</b> 4th to 6th June 2019	<b>INDEPENDENCE DAY CELEBRATIONS</b>
<b>CHILDRENS DAY CELEBRATION ON KALYAN RAILWAY STATION</b> 14th of November 2019	<b>Childline se DOSTI campaign</b> conducted on Kalyan station on 15th ,16th and 17th November 2019
Session about child Rights and Education <b>PARENTS DAY ACTIVITY</b> 14th of December	<b>WOMENS DAY CELEBRATIONS AT THE CHILDLINE DESK</b>

**BEGGING CAMPAIGN ON KALYAN RAILWAY STATION**

On the 4th, 5th and 6th of June 2019 Childline team conducted a survey of children being forced to beg on Kalyan station. After receiving information from the RPF and GRP, Childline team surveyed the areas and found the parents and neighbours sitting outside the station in a bus depot and conducting begging through the children in the age group of 5 to 17

A detail survey report was submitted to the RPF and GRP

**INDEPENDENCE DAY CELEBRATIONS ON KALYAN RAILWAY STATION**

UVCT Childline team celebrated Independence day on the childline desk, Railway officers and all the staff on the station were given flags..and sweets...it also helps in bonding with the officials for smooth functioning of childline work. The station manager was also given a brief about the work conducted by childline on Kalyan station.

**14 NOVEMBER CHILDRENS DAY CELEBRATION ON KALYAN RAILWAY STATION**

On the 14th of November 2019

UVCT childline team celebrated Childrens day on the childline desk along with children on the station and children from various NGOs, a specially prepared cake with childline theme was cut with the help of station manager Mr Pradeepta Kumar Das, RPF, GRP, CWC members. The children were given hats and masks, with various activities were displayed by the children.

The CWC members and the police personnel had fun at the occasion with the children, Childline team members tied Childline bands on the hands of the personnel present on the occasion, the children and the various NGOs were given brief information of the work of Childline on Kalyan station and how UVCTchildline has rescued and helped children to reach their homes safely.

**CHILDLINE SE DOSTI CAMPAIGN**

Childline se DOSTI campaign conducted on Kalyan station on 15th ,16th and 17th November 2019, a great initiative to build up a Rapport with the RPF,GRP, Govt hospitals. Childline staff dressed in traditional outfits and armed with Childline se DOSTI bands, banners visited the station manager office, the cleaners, the GRP/RPF, later the hospital staff..who were given orientation on childline and the work that is being carried out by childline team..they were very impressed by the efforts taken and work done by childline team..specially the Doctors were excited about the 1098 initiative.. and requested it to be on a much broad scale across the city..

### PARENTS DAY ACTIVITY

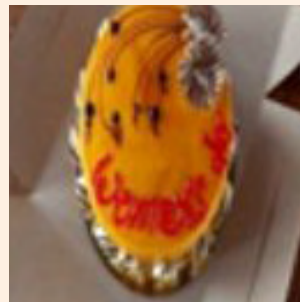

On the 14th of December, Childline team with NGO Magic bus, had organised a joint session about child Rights and Education at Bahujan Uddesh Boys hostel Ulhasnagar 4. Around 50 children from various schools and shelter homes attended the session along with their parents, Childline team gave information about the work of childline and our helpline number 1098.

The children were so excited after the session, they asked various questions about the Rights of a child and how can they be safe. The concept of Good touch, bad touch was explained, Komal video about sexual abuse and good touch bad touch was explained, UVCT Childline counsellor Manisha Kamble had a short counselling session with the parents regarding children and their safety, some parents present at the session were thrilled at the session, when asked about the safety taken by them regarding their children and were really happy at the information they got from childline..and the concept of 1098 helpline.

### WOMENS DAY CELEBRATIONS AT THE CHILDLINE DESK

On the 8th of March UVCT Kalyan railway childline celebrated Womens day with the GRP/RPF and staff personnel on Kalyan station, our women WARRIORS leading the way. It began with a cake cutting then giving bouquets and Roses to the women personnel on the station..the desk was covered with pink balloons all over..it was a special treat for our women WARRIORS

- h) Feb 27th –On the occasion of World NGO's Day Program organized me and Raqueeb sir participated.

### Obituary

After 10-day treatment in a reputed hospital and all possible efforts, Mr. Abdul Raqueeb breathed his last on 9th October 2020 morning fighting Covid 19. Very unfortunate ending for such a valiant Social Worker. In these Covid times, his concern for poor and feeding in slums, mask distribution and running around to help police - all speak of his commitment to humanity. We indeed

lost an eminent and dedicated Social service leader.

Good heart has stopped beating, but a heart that has touched so many lives can't help but live on in those it loved and served

You are in our thoughts, in our heart and in our prayers

Thank you for your deep commitment and selfless services

**Mr. Abdul Raqueeb** was Joint Secretary,  
Urivi Vikram Charitable Trust

## Child rights activist dies of COVID-19

SPECIAL CORRESPONDENT  
VISAKHAPATNAM

Child rights activist Abdul Raqueeb (57) died in the early hours of Friday. He was admitted to a private hospital a few days ago, after testing positive for COVID-19.

Raqueeb was an advocate and served as a member of Juvenile Justice Board, District Legal Services Authority and as vice-president of Visakha Forum for Child Rights.

Rahimunnisa Begum, joint secretary, Visakha Forum for Child Rights, said that he worked tirelessly for the cause of child rights and improvement of correctional schools. He is survived by his wife and two sons.

Forum of Legal Professionals on Friday condoled the death of Abdul Raqueeb. He was also one of the founding members of the forum, said Kuppili Muralidhar of the forum.
